

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

The continued consolidation of our media under the control of a few big corporations is rendering our treasure of "free" air waves to the dustbins of history. Consolidation is out of control and needs regulations to preserve our access to free speech and information. Put a leash on this Beast!
